SELECTMEN'S REPORT TOWN OF UNITY 2005

The Board of Selectmen had a busy 2005. In this time of reflection we think of townspeople's strength and losses with one of the wettest years in memory. So many people helped us in October without fan fare or notice that the Board cannot name them without risking missing others. We extend them all a heartfelt thank you.

It was a year of substantial changes and not all of them good. The Board continued meeting almost every Monday evening but found events beyond it's control created many more times where we needed additional meetings to keep up with the demands of running the Town. This included trips to Concord for the Board of Tax and Land Appeals and many FEMA meetings for both the spring snow storm we experienced early in the year and the flood of October 9th. There were court dates to attend, representing the Town and meetings with residents on their specific road issues. We were able to come under budget for the year and worked to align our bookkeeping methods to more agree with the State's forms called "MS" 1-6's. Alysun worked very hard on making our tax maps and parcel numbers with descriptions more accurate.

Work done to roads:

- ✦ The Coon Brook Road culvert saw total rebuilding this year. The town had been working toward this repair for many years. We were fortunate to have quality engineering from CLD, who drew up the plans and handled the paperwork required for wetlands permitting. With great success, our highway department was assisted by outside contractors with the removal of the old materials and installation of the new. We needed the extra manpower and equipment they were able to provide and it was especially nice that it was some of our own townsmen with a mind towards high quality and low costs.
- ✦ North Shore Road had major renovation to the road surface and culverts toward the 2nd NH Turnpike. The road had a low spot for years that beavers liked to flood in the spring and a culvert that was insufficient to handle the water running through it. Again the highway department had a successful project with the collaboration of engineers and our local contractors.
- ✦ Following the Oct. 9th storm that took out the culvert known as Twin Bridges, the town upgraded the old Neal Mine Road to use as an alternative route for travel from the western-most portion of town to the rest of the town. This remains a class 6 road but has been upgraded, in surface, as an emergency measure only.

Looking forward to 2006 the Town of Unity is coming up on big decisions required for the direction of the landfill and highways. Toward that end the Board is planning to hire a full time Public Works Director. This sounds like a fancy name for such a small town, but big things are brewing with seeking grants, permits and getting the Town into compliance in the areas of employment and environmental law. The upcoming closure of our landfill and the day to day running of our highway and landfill departments, in this day of regulation and litigation, no longer will allow a limited part time Board to manage them.

We welcome visitors to our public Monday evenings Selectmen's meeting and hope some of you will take us up on this invitation during the year to watch the implementation of your wishes from Town Meeting.

Respectfully submitted,
UNITY BOARD OF SELECTMEN

Willard M. Hathaway
Mary'L. Gere
Alysun McMahon

**UNITY POLICE DEPARTMENT
ANNUAL REPORT
2005**

To the Honorable Board of Selectmen
Town of Unity, New Hampshire

The Sullivan County Sheriff's Office has completed its second year as the law enforcement agency for the Town of Unity.

Sullivan County deputies have provided more than thirty (30) hours per week patrolling the town, and answering various calls. The dispatch center, Charlestown Police Department, received a total of 826 calls-for-service, a 28% increase over last year. Out of that number, the Sheriff's Office handled 700 calls, and the remainder was handled by the New Hampshire State Police.

The types of calls handled included alarms, animal complaints, criminal mischief, theft from vehicles, OHRV complaints, burglary investigations, and motor vehicle accidents, as well as assisting the Unity Fire Department and ambulance service.

The deputies and I have enjoyed a good working relationship with the Board of Selectmen, the Fire Chief and other town officials, and we are grateful for their assistance. We are pleased to have the opportunity to serve the citizens of the Town of Unity, and we hope they are pleased with the job we have done.

If I can be of assistance to any member of the Town of Unity, please do not hesitate to contact me.

Respectfully submitted,
Michael L. Prozzo, Jr.
High Sheriff

MLPjr/bes

**Town Warrant
Town of Unity
State of New Hampshire
2006**

To the inhabitants of the Town of Unity in the County of Sullivan in said State, qualified to vote in Town affairs.

You are hereby notified to meet at the Town Hall in said Town on Tuesday the 14th of March at 10:00am in the forenoon to act upon the following subjects:

Article 1. "Are you in favor of rewording Article II of the Unity Land Use Ordinance to prohibit Manufactured Housing parks (formerly called Trailer Parks) and use of temporary structures as permanent dwellings, and to add the definition of "Manufactured Housing Park" to Article VII, as proposed by the Unity Planning Board?"

Yes _____

No _____

Article 2. "Are you in favor of rewording Article III of the Unity Land Use Ordinance to clarify and limit the Affordable Housing Incentive, to revise the wording regarding lot size and density, and to redefine the definition of "lot" in Article VII, as proposed by the Unity Planning Board?"

Yes _____

No _____

Article 3. Shall we modify the elderly exemptions from property tax in the Town of Unity, based on assessed value, for qualified taxpayers, to be as follows:

For a person 65 years of age up to 75 years, \$7,000

For a person 75 up to 80 years, \$14,000

For a person 80 years of age or older \$28,000.

To qualify, the person must have been a New Hampshire resident for at least 5 years, own the real estate individually or jointly, or if the real estate is owned by such person's spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of less than \$26,400; and own assets not in excess of \$35,000, excluding the value of the person's residence. Requires a ballot vote. The Selectmen recommend a yes vote.

Yes _____

No _____

Article 4. To choose all necessary Town Officers for the ensuing year. The business meeting will reconvene at 12:00 noon, March 18th, 2006 at the Town Hall for the continuation of business. Motion to continue meeting.

Article 5. To receive reports of Town Officers and take action thereon.

Article 6. To see if the Town will vote to raise and appropriate the sum of \$1000 to be added to the Capital Reserve Cemetery Land Trust already established and name the Selectman agents to expend the fund. SELECTMEN RECOMMEND A YES VOTE.

Article 7. To see if the Town will vote to raise and appropriate the sum of \$40,000 to be added to the Highway Vehicle Capital Reserve Fund already established and name the Selectmen agents to expend the fund. SELECTMEN RECOMMEND A YES VOTE.

Article 8. To see if the Town will vote to dissolve the Police Cruiser Capitol Reserve Fund, with said balance of \$24,173 plus accumulated interest to be placed in the General Fund. SELECTMEN RECOMMEND A YES VOTE.

Article 9. To see if the Town will vote to raise and appropriate \$24, 173 to be placed in the Highway Vehicle Capitol Reserve Fund already established for this purpose. This sum to come

from fund balance and no amount is to be raised by taxation. SELECTMEN RECOMMEND A YES VOTE.

Article 10. To see if the Town will vote to raise and appropriate the sun of \$10,000 to be added to the Revaluation Capital Reserve Fund already established and to name the Selectmen agents to expend the fund. SELECTMEN RECOMMEND A YES VOTE.

Article 11. To see if the Town will vote to raise and appropriate the sun of \$21,777 for the 5th and final payment of the Rescue Vehicle. SELECTMEN RECOMMEND A YES VOTE.

Article 12. To see if the Town will vote to raise and appropriate the sum of \$2,000 to be added to the Insurance Casualty General Trust Fund already established and name the Selectmen agents to expend the fund. SELECT RECOMMEND A YES VOTE.

Article 13. To see if the Town will vote to raise and appropriate the sum of \$15,000 to be added to the Fire Department Emergency Vehicles Fund already established and name the Selectmen agents to expend this fund. SELECTMEN RECOMMEND A YES VOTE.

Article 14. To see if the Town will vote to raise and appropriate the sum of \$3,500 to be added to the Town Hall Expendable Maintenance General Fund Trust already established for the purpose of long range repairs and improvements to the Old Town Hall. SELECTMEN RECOMMEND A YES VOTE.

Article 15. To see if the Town will vote to raise and appropriate the sum of \$500 to be added to the Expendable Trust Fund already established for continued restoration of Vital Records and name the Selectmen agents to expend the fund. SELECTMEN RECOMMEND A YES VOTE.

Article 16. To see if the Town will vote to raise and appropriate the sum of \$9,000 to be added to the Well Monitoring Expendable Fund Trust already established and name the Selectmen agents to expend the Fund. SELECTMEN RECOMMEND A YES VOTE.

Article 17. To see if the Town will vote to appropriate the sum of \$95,890 for the purpose of Capital Outlay Road Construction. This is offset by Highway Subsidy Funds. SELECTMEN RECOMMEND A YES VOTE.

Article 18. To see if the Town will vote to raise and appropriate the sum of \$20,000 to be added to the Capital Reserve Fund already established for Landfill Equipment. SELECTMEN RECOMMEND A YES VOTE.

Article 19. To see if the Town will vote to raise the salary of the Town Treasurer from \$4100 per year to \$4500 per year. SELECTMEN RECOMMEND A YES VOTE.

Article 20. To see if the Town will vote to raise and appropriate the sum of \$1000 for the use of the Crescent Lake Association for monitoring the boat landing to prevent the introduction of invasive, exotic weeds. SELECTMEN RECOMMEND A YES VOTE.

Article 21. To see if the Town will vote to raise and appropriate such sums as stated in the **posted Budget (MS6)** in the following categories for a total of **\$902,667**. SELECTMEN RECOMMEND A YES VOTE.

TAX COLLECTORS REPORT

Collection of taxes have been steadily coming in.

Barrington notices were sent out with the 2nd half tax bill in November, this saved some money on the postage.

Liens will be processed in February.

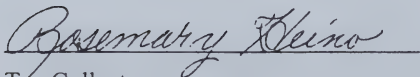

Deeding will be processed in March.

1st Tax bill due in July.

2nd Tax bill due in December.

Payments on back taxes can be made in any amount.

On the back of your tax bill there is information for taxpayers. If you are elderly, disable, blind, veteran or veteran's spouse, or are unable to pay taxes due to poverty or other good cause, you may be eligible for a tax exemption, credit, abatement or deferral. For details and application information please contact the Board of Selectmen.

A handwritten signature in cursive script, reading "Rosemary Heino", is written over a horizontal line.

Tax Collector

TOWN CLERKS REPORT

This year has been very busy with new software from the state for Vital Records and Motor Vehicles. The new MAAP system from Motor Vehicles has made it a change for the better as registrations are updated at the time they are entered into the system. Registrations with a weight up to 26,000 pounds we can process state portion also. Vital Records has a new window version that is also updated at time of entry.

Pet clinic for rabies shots will be held in town office parking lot on April 29, 2006 between 11:00 AM to 1:00 PM the fee is \$10.00. You can license your dog at this time. The fees are \$6.50 for female spays and male neutered. Dogs not spay or neutered are \$9.00. Group licenses are \$20.00. A dog owned by a senior citizen is \$2.00 for 1st dog.

Linda Murray is our new Town Clerk Deputy; she completed her training in the fall to become a municipal agent and perform vital record transactions.

Thank you to all our customers for being patient with us; even though our town is small we are quite busy. Also, a thank you for everyone who voted for me, it has been a very gratifying job. In 2006 my term for 3 years is up again, I would appreciate your vote this year, as I have in the past.

Thank You,

Town Clerk

INDEPENDENT AUDITOR'S COMMUNICATION OF REPORTABLE CONDITIONS AND OTHER MATTERS

To the Members of the Board of Selectmen
Town of Unity, New Hampshire
Unity, New Hampshire

In planning and performing our audit of the Town of Unity, New Hampshire for the year ended December 31, 2005; we considered the Town's internal control structure in order to determine the scope of our auditing procedures for the purpose of expressing our opinion on the financial statements. Our review of these systems was not intended to provide assurance on the internal control structure and should not be relied on for that purpose.

Under the standards established by the American Institute of Certified Public Accountants, reportable conditions involve matters coming to our attention relating to significant deficiencies in the design or operation of the internal control structure that, in our judgment, could adversely affect the Town's ability to record, process, summarize, and report financial data consistent with the assertions of management in the financial statements. A material weakness is a reportable condition in which the design or operation of one or more of the internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities, in amounts that would be material in relation to the financial statements being audited, may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might constitute reportable conditions and, accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses as defined above.

- We are pleased to report that, during the course of our review of internal controls, no material weaknesses in the Town's accounting systems and records were identified. Considering the fiscal year saw many changes with new accounting software and personnel, it is understandable that operations might not have been as efficient. However, the use of external accounting expertise and greater managerial oversight provided needed input and support for developing procedures as well as maintaining control over the accuracy of financial information. As with many small communities experiencing development and greater demands on informational resources, we encourage the community to continue developing its accounting resources including personnel with analytical skills that are adaptive to changing situations. We are happy to continue supporting that process and to provide accounting expertise as may be needed to understand changing reporting standards.

This report is intended solely for the information and use of management and others within the administration. This restriction is not intended to limit distribution of this report, which is a matter of public record.

INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of the Board of Selectmen
Town of Unity, New Hampshire
Unity, New Hampshire

We have audited the financial statements of the governmental activities, each major fund and the aggregate remaining fund information of the Town of Unity, New Hampshire as of and for the year ended December 31, 2005, which collectively comprise the Town's basic financial statements as listed in the table of contents. These basic financial statements are the responsibility of management. Our responsibility is to express an opinion on these basic financial statements based on our audit.

We conducted our audit in accordance with auditing standards that are generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the basic financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the basic financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general-purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the basic financial statements referred to above present fairly, in all material respects, the financial position of the Town of Unity, as of December 31, 2005, and the results of its operations and the cash flows of its private-purpose trust funds for the year then ended in conformity with generally accepted accounting principles.

Our audit was performed for the purpose of forming opinions on the basic financial statements taken as a whole. The accompanying schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly presented in all material respects in relation to the basic financial statements taken as a whole.

Paul J. Mercier, Jr. CPA

LIBRARIANS REPORT

2005

The Unity Free Library continues to attract new members with 1066 patron visits in 2005. The library lent 978 books and 438 videos or DVD's. We are now buying all movies in DVD form as they require less care such as rewinding and can be repaired easily.

Ellen Neilsen and Laurel Eaton, who work on Saturdays are proposing to work four hours on Saturday from 10:00AM to 2:00 PM. This will allow more people who can't make it to the library during the week the opportunity to stop by when they go to the landfill or are doing other chores on Saturday. Please stop in and see them when you are in town.

The library continues to acquire the latest in fiction and non-fiction books for our patrons, from adult crime novels to children's fantasy novels. If there are books you would like to read and we don't have them we can borrow them thru interlibrary loan or acquire them for our own collection, just let me know, we are here to serve you.

Please stop in and use the public access computers with internet access.

Hours of operation for the library are:

Monday-Tuesday and Thursday noon till 5PM

Wednesday-1PM till 6PM

Saturday-9AM till noon (this will change at some point to 10AM till 2PM, after town meeting)

Please stop in and use your town supported FREE LIBRARY.

Respectfully submitted,

Mary Ellen Bellimer, Librarian/Director
543-3253
unitylibrary@fcgnetworks.net

**SCHEDULE OF TOWN PROPERTY
AS OF APRIL 1, 2004**

Unity Stage Road - 34 acres	\$18,700

**Unity Conservation Commission
Budget for 2006**

Stamps/Certified Mail	100.00
Ink for Printing Site Photos	70.00
Crescent Lake Water Testing	383.00
NH Association of Con. Comm. Dues	175.00
Copies of Planning Board Laws	20.00
Purchase of Set of Town of Unity Tax Maps	80.00
Office Supplies	10.00
Camera	200.00
Total	938.00

The balance of funds will go forward into the Commissions Credit Union Account. Each year we share the cost of the Crescent Lake Water with Acworth. All Money is handled through the Town Treasurer.

Sincerely,
Ethel Jarvis, Chairman

**CRESCENT LAKE ASSOCIATION
2005 MILFOIL PREVENTION PROGRAM**

Once again the Lake Host Program at the Crescent Lake boat ramp had a very successful season. We employed four paid hosts, two from Unity and two from Acworth, who worked 89 days for a total of 855 hours. They were on duty seven days a week from June 11 through September 5.

The payroll was a little over \$9,000 and was made possible by the following contributions:

\$3,000 grant from DES

\$2,000 from Town of Acworth

\$1,000 from Town of Unity

The remainder of funds came from dues paid to the Crescent Lake Association by its members.

A total of 430 boats were inspected, up from 358 in 2004. No invasive species of plants were found.

The Crescent Lake Association Milfoil Committee would like to thank the Town of Unity for its willingness to help in this important project and hope we can count on your continued support.

Tim Perry, chairman
Milfoil Committee

UNITY VOLUNTEER FIRE DEPARTMENT, INC.

“Proudly Serving Our Community”

The Unity Volunteer Fire Department responded to one hundred twenty one emergency calls in the year 2005. This year we recorded another major increase in the number of automobile crashes. Modern day vehicles and technology continue to challenge the firefighter's skills and training. With the high cost of oil, we find many residents experimenting with alternate fuel systems. I encourage all residents to be educated in any alternative systems they are considering.

The list of officers for 2006 includes Chief Bruce E. Baker, Deputy Chief Todd Gregory, Captain Ron Cota, and Lieutenants Arthur Kline and Robert Spooner.

The fire department still relies on fund raising and donations for nearly all of our new equipment. I would like to thank each and every person who has contributed to the department. I assure you that your contributions are being put to good use in acquiring and maintaining valuable and costly equipment necessary to provide quality emergency protection to our community.

In 2005, we saw many businesses in surrounding towns close or have major layoffs. This has forced many of our members to find employment many miles away from Unity. Several of our members report that their employers no longer allow them to leave work for fire department calls. We also have several members who found employment in emergency services in other towns. This has again caused a decline in the number of emergency personnel able to respond to daytime calls.

The Unity Volunteer Fire Department is in need of new members. The department will provide training and personal protective clothing to eligible applicants. If you are interested and have the time, please apply at the station. We meet every Wednesday evening at 7:00 p.m. and on the second Monday of each month at 7:00 p.m.

As always, I would like to thank the members of Unity Fire for their continued support and service to the Town of Unity. Your time and contributions are priceless.

Sincerely,
Bruce E. Baker
Fire Chief,
Unity, NH

**Proposed year 2006 budget for
Unity Volunteer Fire Department**

Categories	Anticipated Expenditures 2005 (Town Inc.)	Actual Expenditures for 2005	Anticipated Expenditures 2006
Building & Land Maintenance		\$5,765.20	\$0.00
Dispatch Service	\$8,191.00	\$8,562.00	\$9,175.00
Donations	\$625.00	\$0.00	\$150.00
Dues and Training	\$2,600.00	\$1,030.95	\$1,600.00
Electricity	\$2,100.00	\$1,695.83	\$1,850.00
Equipment Repair	\$1,200.00	\$1,397.50	\$1,475.00
Gasoline/Diesel	Town Inc.	\$312.15	\$400.00
Miscellaneous	\$600.00	\$37.00	\$500.00
New Equipment	\$3,500.00	\$804.57	\$5,500.00
Office	\$1,100.00	\$806.73	\$1,000.00
Personal Protection	\$3,000.00	\$167.00	\$2,000.00
Telephone	\$1,600.00	\$1,294.63	\$1,350.00
Truck Maintenance	\$3,500.00	\$2,794.14	\$3,000.00
Encumbered Funds (see note below)		\$3,348.30	
	\$28,0016.00	\$28,016.00	\$28,000.00
Amount to be appropriated at Town Meeting			\$28,000.00

Note: due to delays on siding project and unforeseen building repairs needed, the fire department held off on new equipment purchases in the year 2005 until the project was completed. These funds were encumbered for the purchase of new equipment in 2006.

Respectfully submitted,
Chief Bruce E. Baker

EMERGENCY MANAGEMENT REPORT

2005 was for the most part an uneventful year, until October arrived. On October 8th and 9th the southwestern area of the state was struck by severe flooding caused several days of rain that totaled over ten inches.

Several towns in this area were severely devastated by the floods. Unity received its share of damage from the storm. There were several areas along the state roads that were damaged by the flooding as well as several town roads.

Some of the roads in town that sustained severe damage were: Old Cheshire County Road, Coon Brook Road, Thurber Road, North Shore Road, South Hedgehog Hill Road, Cold Pond Road, West Unity Road, Straw Hill Road, Spooner Road, Copeland Brook Road, Judkin Road, Kanto Road and Stage Road. Several other roads in town sustained minor damage.

There were culverts washed out on both ends of Copeland Brook Road. One of these was an old stone culvert that we needed clearance from the State Historical Society to replace instead of rebuilding.

The Davis Bridge on Stage Road sustained severe washing under the footings and damage to the head walls. The large arch pipe at the site of the old Twin Bridges was completely devastated, leaving a cavern one hundred feet wide in Stage Road. We decided to upgrade Neal Mine Road, so that emergency services could access the residences on Dunham Road and the far end of Stage Road.

During the emergency and for several weeks after, the Highway Department, the Selectboard, the Town Secretary and myself spent countless hours in meetings and telephone conferences with FEMA and engineers (both state and private) deciding on plans to attack the problems we were faced with.

I would really like to take this opportunity to thank the Fire Department for their assistance during the initial emergency, Stone's for assisting in recovery efforts and a big thank you to Forest Smith and Mark Hayward for making themselves and their equipment available at our request. Without them we would not have been able to repair the roadways as quickly as we did.

On a sad note my sympathies go out to the families of Ashley Gates and Steven Day. Ashley and Steven lost their lives when the vehicle they were in went into the Little Sugar River, at the site of the old Twin Bridges during the night of October 8, 2005.

Jason A. LeMere
Emergency Management Director

BUILDING INSPECTOR'S REPORT

The year 2005 had quite a few bumpy spots as the building permit process evolved to accommodate the requirements of zoning. The building permit application is no longer just an application for a building permit, it is also being used for zoning compliance certification. Prior to going to the Building Inspector, it must first go through the Planning Board representative, who verifies that the proposed building meets the set back requirements of zoning. If your proposal is in compliance, then the application is forwarded to the Building Inspector through the Town Office.

Should your project fail to meet the zoning requirements you should be contacted by the representative for corrective action or appeal to the Zoning Board of Adjustment.

If you don't hear back in a timely manner please contact the Selectmen's Secretary to track it down. Generally I turn around permit applications in 5 days or less.

NEW CONSTRUCTION

Deck/Porch	5
Modular Homes	4
Houses	15
Garages	16
Additions	8
Barn/shed	7

REPLACEMENT CONSTRUCTION

Modular Homes	1
Alterations	4

I look forward to assisting you with your building permits and questions in 2006.

Paul Gere,
Unity Building Inspector

HEALTH OFFICE REMINDER

Please remember that the Certificate of Occupancy (CO) comes from the Office of the Unity Health Officer, not the Building Inspector.

The CO is provided for the proper performance of your septic system and installation. Prior to covering over your new system please contact the Town Office at 543-3102 to schedule a site visit.

UNITY PLANNING BOARD
2005
ANNUAL REPORT

The Unity Planning Board has had a very busy and productive year. The Unity Planning Board is now a member of the Upper Valley Lake Sunapee Regional Planning Commission.

Currently the Board is working with the UVLSRPC on updating the Master Plan with current statistical information. The Master Plan needs to be updated very ten (10) years.

The Land Use Ordinance voted in last March has proven to be an excellent connective process that has created a stronger relationship between the Planning Board, Building Inspector, Zoning Board of Adjustments and the Board of Selectmen. It has created a smoother process for reviewing proposed plans for compliance and it is the first step of the process to obtain a building permit.

In 2005, the Board reviewed and approved six (6) minor subdivisions, one (1) major subdivision, two (2) lot line adjustments, one (1) boundary line adjustment and fourteen (14) driveway permit. The Board wishes to offer its appreciation to everyone that has taking the time to attend our meetings this year. Your opinions and participation is greatly appreciated and the Board hopes that 2006 will continue to have strong participation from the voters. Our regular monthly meetings are held on the first Wednesday of every month and work sessions are posted 24 hours in advance at Will's store and the Town Office. All meetings are open to the public and everyone is welcome to attend.

Respectfully submitted,
Susan Schroeter, Chairman

There were nine of these students pictured that attended their 50th reunion. They were John Newton, Stephen Fellows, Merlin Fellows, David Callum, Cecil Callum Jr., Helen Johnson Davis, Melba Pomeroy Merrifield, Tynne Heino Cox, and Audrey Jennings Shepard.

UNITY HISTORICAL SOCIETY 2005 REPORT

The Unity Historical Society had another successful year.

We donated \$800.00 toward the town band/gazebo fund.

Two quilts in the possession of the society were displayed at Lempster Old Home Day on August 13 -14. One is a friendship quilt made prior to 1875 which was donated by Loraine Light several years ago. The other quilt top was made before 1955 by Bertha Perkins, mother of Ed Perkins of East Unity. The quilt was completed by Margery Reed, North Charlestown.

On July 30th at Unity Old Home Day the Historical Society room was open to the public. Of special interest were two 1834 copies of paintings of Levi and Olive Gee Sleeper, former Unity residents. The digital copies were donated by W. A. Harding of Wolfeboro Falls, NH. Olive Gee was from Lempster. We were pleased that many new Unity residents and former residents visited.

Laurel Eaton approached the Society to assist with the 4th-5th grade tour of Historical Sites in Unity. The tour, June 17th, started at the Town Hall with Roberta Callum giving a brief history of the hall. James Romer rode the bus to Chase Tavern, Audrey Shepard's home, the former East Unity School house district #1 for a tour of the house. The tour continued to Gilman Pond, Unity Cemeteries, town pound, Quaker Meeting House and West Unity Church ending back at the school.

August 28th, a 50th reunion of former students of East Unity School was held at Audrey Shepard's home. A tour was given including the showing of the old teachers desk, a pot luck luncheon with 51 in attendance.

We have for sale note cards, letter sized stationery, "Highlights in History of Unity," and copies of "The Early Families of Unity, N.H. 1790 - 1860." The books have continued to sell well around the country.

All are invited to attend our meetings which are held on the second Wednesday each month, April through November and new members are always welcome.

Respectfully submitted,
Tyyne Cox, president
Roberta Callum,
Audrey Shepard

RECYCLING CENTER REPORT

The year 2005 brought natural disasters here at home and around the world. These disasters hit close to home with the flooding in October that took the life of Steven Day Jr. He had worked at the Recycling Center for 2 1/2 years. We will always miss his quick wit, helping hand, and practical ideas.

On the recycling side this was a very good year for the Town of Unity. We should all be proud of our efforts and accomplishments. In April we started keeping an accurate record of the bales we make so that we can better understand how much is being recycled. From April to December of 2005 we made 40 bales of cardboard, 37 bales of mixed paper, 10 bales of #2 plastic, 9 bales of #1 plastic, 16 bales of tin cans, and 9 bales of aluminum cans, for an annual total of approximately 90 tons.

In addition, approximately 3 tons of clothing was collected and recycled by Planet Aid and 30 tons of glass was collected and used as fill. Our Scrap metal is hauled by a private hauler for no revenue. We estimate it could weigh as much as 100 tons.

That brings our total of recycled materials to over 220 tons annually. Our percentage of diversion is over 33%, second only to Sunapee's in Sullivan County.

The environmental benefits of recycling are impressive. The 71 tons of paper and cardboard that we recycled saved 1,207 trees. And the 7 tons of plastic that we recycled conserved the equivalent of 10,500 gallons of gasoline. Every aluminum can recycled saves enough electricity to run a TV for 3 hours.

The volume of plastics and cans it takes to make a bale is also an impressive figure. For each bale of #2 plastic it takes about 60 55-gallon bags full of containers. Each bale of #1 takes about 40 55-gallon bags full. Aluminum cans take about 17 bags. Imagine how much space we are saving in our landfill and how much energy we are saving with our recycling efforts!

As a bonus our recycling efforts generated more than \$11,000 of revenue, which goes into the general fund.

The workers,

Vanessa Keith

Clarence Gee

Karen Mackey

Justin Smith

Andrew Gee

Jeremy Lemere,

thank you for your continuing participation and look forward to seeing you soon at the Recycling Center.

November 23, 2005

Town of Unity
Office of the Board of Selectmen
13 Center Road
Unity, NH 03603

To the Board of Selectmen,

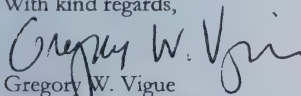

During calendar year 2005, the Family Services Department of the Community Alliance served 2 Unity families. One family was served through the Sullivan County Youth & Adult Diversion Program and one family was served through the Tobacco Options Program.

According to the Office of Juvenile Justice and Delinquency Prevention, it costs approximately \$3,000.00 per youth to be processed through the Court system—*before* any services are ordered. Because the Diversion Program has served 1 Unity adolescent in calendar year 2005, we have saved the Town of Unity \$3,000.00 in costs associated with prosecuting first-time offenders.

Both Judge Bruce Cardello (Newport District Court, Family Division) and Judge Jack Yazinski (Claremont District Court, Family Division) support the Department's programs. I have attached their letters of support for your perusal. I have enclosed a copy of our Program Summary Sheet, which describes the Family Services Department's many programs. These materials have been made available to the Unity Police Chief Jason Lemere.

The Family Services Department would like to respectfully request \$2,000.00 for Fiscal Year 2006. We would like to thank the Town of Unity for its support throughout the years.

With kind regards,

Gregory W. Vigue
Family Services Coordinator

Our thanks to Unity

January 9, 2006

Dear Residents of **Unity**,

Southwestern Community Services would like to thank the residents of **Unity** for your continued support of our efforts to serve the needs of our local communities.

During the past year we have delivered a variety of direct services to **176** citizens of Town of **Unity**. The value of these services totaled **\$ 34,153**.

These were comprised of Head Start, Women Infants & Children (WIC), Fuel Assistance, Weatherization, Electric Assistance, Homeless Service, and our Housing Program.

It is due to the local support which we receive that we are able to conduct the outreach necessary to deliver these services. SCS welcomes any comments or inquiries and invites you to call and schedule a visit to our offices to learn more about what we are all about.

Thank you again for your consideration.

Sincerely,

David W. Osgood, Deputy Director

Dear Members of the Board,

On behalf of Sullivan Nutrition, and the seniors that we serve, we wish to express sincerely our appreciation for your donation of \$1,000 to our Nutrition program.

Your continued support will help many local seniors and is truly appreciated by the seniors and those who care for them.

Thank you again for supporting our Nutrition program.

Sincerely,

Jerry E. Durant

Executive Director

Lake Sunapee Region Visiting Nurse Association

September 1, 2005

Board of Selectmen

Town of Unity

HCR 66 Box 179

Unity, NH 03773

Dear Selectmen,

The town of Unity has been a member of Lake Sunapee Region Visiting Nurse Association since 1987. Support from the towns does make a difference in the lives of your friends and neighbors who need home care and hospice services, particularly those on Medicaid, but also for those on other insurance plans. The VNA receives about 60% of what it costs us to provide care for adults and children on Medicaid, despite the fact that our costs are among the lowest in the region.

Town funds are used primarily to provide care for adults and children who either have no insurance or who have inadequate insurance. Services can run the gamut from counseling and teaching for a young woman experiencing a high-risk pregnancy; to home monitoring for a child who had a recent heart transplant; to an adult needing teaching for newly diagnosed diabetes; to the 91 year old gentleman who is able to stay at home with the support of a home care aide and a homemaker a few times a week; and finally, to the young mother dying of cancer who is able to stay at home surrounded by family and friends.

In addition to the direct patient care we provide, Lake Sunapee Region VNA provides community services like influenza clinics, health fairs, foot care clinics, bereavement support groups, immunizations in the schools, assisted living at home services and much more. Our home telemedicine program allows us to monitor vital signs for patients each and every day and intervene whenever necessary and to fax trending reports to the patient's physician.

We are grateful for the support of the town of Unity and for your interest in ensuring a healthy community. This year, Lake Sunapee Region VNA respectfully requests an appropriation for 2006 in the amount of \$4303. This figure is based on a per capita assessment of \$2.63 per person on a total population of 1636 residents according to New Hampshire Office of State Planning figures (2004).

You will receive a report on specific services utilized by the residents of Unity early in the new year. Lake Sunapee Region VNA appreciates the opportunity to provide home health, hospice and community services to residents in your community. Please contact me if you require additional information.

Sincerely,

Andrea Steel

Town of Unity
Office of the Board of Selectmen
13 Center Road/Unity
Charlestown NH 03603

Dear Selectmen:

We at Sullivan County Hospice are requesting \$250. from the Town of Unity.

Sullivan County Hospice has been in existence since 1984. We are a volunteer agency, governed by a 12 member Board of Directors, all of whom reside in Sullivan County.

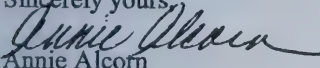

Our mission is to provide practical and emotional support to terminally ill patients and their families within Sullivan County. The majority of the individuals we serve are home hospice patients, who have decided to remain at home under the care of their families. It is in this setting that we provide most of our services. However, we have the flexibility to follow and serve our patients and their families in a hospital or nursing home setting, as well. Our volunteers are fully trained in areas such as death and dying, the grieving process, active listening and universal precautions. A few of the ways our volunteers provide practical support include respite for caregivers, running errands and light meal preparation. Our volunteers also provide emotional support to both the patient and their family, by being available to listen and offer reassurance and encouragement.

Our referrals come from doctors, nurses, visiting nurse associations, discharge planners, as well as from family members or patients themselves. Our only requirements for service are that the patient be terminally ill and that they reside in Sullivan County. We accept all referrals on that basis and there is never a charge for our service.

In addition to providing volunteer services, Sullivan County Hospice offers a bereavement support group. This group is scheduled for six sessions a year, each lasting a period of five weeks. These groups are open to anyone working through the grieving process.

We thank you in advance for your consideration. We hope that you will continue to support our work with your financial contribution, as we continue in our efforts to support the terminally ill and their families in Sullivan County.

Sincerely yours,

Annie Alcorn

Director, Sullivan County Hospice

Annual Nurse Report

Here we are again, another year at Unity School and another office move that is the challenge and the reality of working in a small school. The Nursing/Guidance office now located in the small room at the far end of the multi-purpose room. While this room does afford us more privacy with students, it can be quite noisy during lunch and indoor gym days. We have been able to work around this for the most part and I do find that I like being able to observe and interact with students as they eat. This interaction often is helpful in helping to reinforce some lessons on making good choices as far as eating patterns go and also give me a chance to get to know some of the students that I do not see often in my office.

This year has been a busy one. It always seems that the first half of the year is spent in getting records and paperwork in place and I spend very little time in the classrooms with health teaching and then after the new year, things fall into place and I am able to concentrate on Health Teaching and get into the classroom on a more regular schedule. We are looking forward to doing some nutrition classes at all levels. Studies have found that the earlier that students start learning how to make good choices in eating patterns the more likely those choices will stay with them into their adult years.

At the beginning of the year we covered bus and playground safety with the lower grades. This is always an important introduction to Health Teaching and a good way for the new students to get to know the nurse and for me to get to know them. Mr. Brummel is doing a unit on the human body and we are looking forward to partnering with Valley Regional Hospital to have some speakers to come and talk about different body systems as they learn what a remarkably well tuned machine our bodies are.

Later on we will be doing some basic, hygiene, growth and developmental classes in the 4-8th grade.

Also, Ms. Belaski is teaching classes on communication skills, personal safety and bullying. These subjects also fit in with the Health Curriculum. It is very challenging to fit an extensive Health Curriculum into part time positions but with the help and flexibility of our regular staff, we are able to cover quite a bit of material over the course of the year.

I will be starting with hearing and vision testing soon. Parents will get a call or a note from me if there are any questions or concerns that need to be followed up on. As always, if you have any questions or concerns please contact me.

Judy King, R.N.
UES School Nurse

INDEPENDENT AUDITOR'S REPORT

To the Members of the School Board
Unity School District
Unity, New Hampshire

We have audited the accompanying financial statements of the governmental activities, each major fund and the aggregate remaining fund information of the Unity School District as of and for the year ended June 30, 2004 which collectively comprise the Unity School District's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the School District's management. Our responsibility is to express opinion on the financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund and the aggregate remaining fund information of the Unity School District as of June 30, 2004, and the respective changes in financial position thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

As described in Note 2, as of July 1, 2003, the School District has implemented a new financial reporting model, as required by the provisions of GASB Statement No. 34, *Basic Financial Statements - and Management's Discussion and Analysis - for State and Local Governments*.

The management's discussion and analysis and budgetary comparison information are not a required part of the basic financial statements, but are supplementary information required by accounting principles generally accepted in the United States of America. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Unity School District's basic financial statements. The individual fund schedules are presented for the purposes of additional analysis and are not a required part of the basic financial statements. They have been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

**Minutes of Annual School District Meeting
Unity Town Hall
Saturday, March 19, 2005**

At 12:00 p.m. the meeting was called to order by Moderator Fred Bellimer with the Pledge of Allegiance. Registered voters were directed to sign in and receive a card that would be needed to vote. The Moderator explained how the meeting would be conducted. Mr. Bellimer announced the election results from March 8, 2005. A petition was submitted for a recount on Town Meeting Question #1. The results were the same vote count as the meeting. The count was 220 yes votes and 199 no votes. He then introduced members of the School Board and the SAU. School Board members Chris Eaton - Chairperson, Shawn Randall and Prudence McCormick. Mike Cirre, Principal of Unity Elementary, and for the SAU, Mike Fuerst, Legal Department, Allen Damren, Assistant Superintendent of Schools, Maren Ardell, Director of Special Education, Wendy Siebrands, Curriculum Director, and Jacqueline Guillette, Superintendent.

Article I (Hearing of Reports)

To hear reports of Agents, Committee or Officers chosen and pass any vote relating thereto such as the results of voting, the reports of school board and more. Motion was made by Mary Gere and seconded by Ed Gregory. Discussion began. Mary Gere questioned students being charged to use their cafeteria for after school use. Mr. Damren responded saying the students are not charged when a food service worker inspects the kitchen after its after hours use. Mary Gere asked where the money received from the vending machine goes. Mike Cirre said the vending machine only sells water, flavored water and 100% juice. He added that the income is strictly used for school incentives for the students like prizes for student contests, our PBIS programs and more. He also stated that he keeps a record for all vending machine money spent. Article I passed by unanimous vote.

Article II (Main Budget) - vote will be taken after Article V

Motion was made by Cheri LeMere that Article II be moved until after the Article 5 vote. Vote on a motion to move this article to after article 5 was taken. Vote was affirmative.

Article III (Technology)

To see if the School District will vote to raise and appropriate the sum of SEVEN THOUSAND FIVE HUNDRED DOLLARS (\$7,500) to purchase the following contracted technology services:

Internet Access	\$5,076
Network Services	\$1,500
System Maintenance	\$ 924

Motion was presented by Chris Eaton and seconded by Shawn Randall. Open for discussion. Chris Eaton of the School Board discussed Unity Elementary's technology over the past three years. Donna Sweetser submitted a petition to have this article voted on by paper ballot. Cheri LeMere asked about paying a ten month (school year) internet use instead of a whole year. Start up and disconnect fees were discussed. Brian Race commented that the price of the TI line and other technology expenses should be going down over the next few years due to the reduced prices of advanced technologies. Chris Eaton agreed with his projection. Discussion ended. Ballot clerks passed out the ballots. Article III Passed, by paper ballot, 45 - Yes, 6 - No.

Article IV (Increase Time for Library and Physical Education)

To see if the School District will vote to raise and appropriate the sum of TWELVE THOUSAND DOLLARS (\$12,000) to increase the time associated with the Library and teaching Physical Education from the present one day per week to two days per week. Motion was made by Shawn Randall and seconded by Mary Gere. Open for discussion. Chris Eaton called on Mr. Cirre, our school Principal to talk about the extended classes and school day and the benefits to the students. Mary Gere submitted a petition to vote on this article by ballot. The names on this petition were verified as valid voters. Ballot clerks passed out ballots. Article IV Passed, by paper ballot, 44 - Yes, 13 - No.

Article V (District Officer Compensation)

To determine and fix the salaries of school district officers as follows: school board members at \$500 per member per year; school district treasurer at \$300 per year; school district moderator at \$50 per meeting; and school district clerk at \$75 per meeting.

A motion was made by Ed Gregory and seconded by Shawn Randall. Discussion followed. John Callum, Jr. asked if this was a change or the same salaries as last year. Mr. Bellimer said these rates are the same every year. Discussion ended. Article V passed unanimously.

Amendment to Article II (Main Budget)

To see if the School District will vote to raise and appropriate the sum of ONE MILLION EIGHT HUNDRED SIXTY-EIGHT THOUSAND FIVE HUNDRED NINETEEN DOLLARS (\$1,868,519) for the support of schools, for the salaries of District officials, agents, and employees, for payment of statutory obligations, the School Board to certify to the selectmen the balance between estimated revenue and appropriations, which balance is to be raised by the Town. The above amount includes \$1,827,325 for the general fund and \$41,194 for the federal projects fund.

A motion was made to submit a change to Article II by Chris Eaton and seconded by Shawn Randall to increase the Main Budget to ONE MILLION EIGHT HUNDRED EIGHTY THOUSAND EIGHT HUNDRED NINETEEN DOLLARS (\$1,880,819). Open for discussion. At this time Chris Eaton asked that Allen Damren talk about the entire budget before we discuss the increase.

Allen Damren gave a summary of the entire budget first before the increase. Reference pages 100 - 105 of the Dec. 31, 2004 Annual Report.

Chris Eaton then discussed the additional \$12,300.00 added to the main budget. He said the roof on the school needs to be repaired due to water leaks. Metal flashing needs to be installed to prevent ice and snow build up on the roof. A petition was brought to the Moderator to vote on this article by paper ballot. Vote was taken to accept the amendment to Article II.

Ballot clerks passed out the ballots. The Amendment to Article II Passed, by paper ballot, 45 - Yes, 15 - No.

Article II Amended (Main Budget)

A Motion was made to see if the School District will vote to raise and appropriate the sum of ONE MILLION EIGHT HUNDRED EIGHTY THOUSAND EIGHT HUNDRED NINETEEN DOLLARS (\$1,880,819) for the support of schools, for the salaries of District officials, agents, and employees, for payment of statutory obligations, the School Board to certify to the selectmen the balance between estimated revenue and appropriations, which balance is to be raised by taxes by the Town. The above amount includes \$1,839,625 for the general fund and \$41,194 for the federal projects fund. A petition was brought to the Moderator to vote on this amended article by paper ballot. The Amended Article II Passed, by paper ballot, 43 - Yes, 16 - No.

Article VI (Other Business)

To transact any other business that may legally come before this meeting.
Cheri LeMere said the 7th Grade thanks you for supporting their fundraiser. They need to raise money for next years field trip. Mr. Cirre was asked about the extended school day. He said a decision should be made within a month as to next year's starting and ending times for the school day. Motion to adjourn the meeting was made & seconded. Meeting adjourned 2:15 p.m.

Respectfully submitted,

Diane S. Burden
School District Clerk

IMPACT FOR 2005-2006:

Improving student learning throughout SAU #6

OUTCOMES (in no particular order):

- *Delivering a set of clearly-articulated, high-performance learning standards.
- *Providing a safe learning environment for all students.
- *Removing barriers to student learning.
- *Expanding the staff's instructional repertoire.
- *Expanding opportunities for early learning and intervention - birth through Grade 3.
- *Constructing family and community partnerships.
- *Expanding the number of students reading at grade level or above.

SCHOOL BOARDS' GOALS in SAU #6:

Claremont:

- 1) Raise the standards and achievement for all students.
- 2) Encourage citizen participation in, understanding of, and support for the educational system through the work of the Communications Committee.
- 3) Use all available data to develop a prioritized list of buildings and grounds needs and options for meeting those needs through the work of the Facilities Committee.
- 4) Continue to advocate locally and state-wide about issues affecting the children of New Hampshire.

TOOLS:
DIFFER.
INSTR.
RBT
PBIS
DATA
ASSESS-
MENT
TECHN.
PD
RDG/WR.
TOOLS
COLLE-
GIALITY
S.I.T.

IMPACT for 2005-2006 (continued)

Cornish:

- 1) Provide an enriching and meaningful curriculum, maximizing every student's potential and promoting academic excellence for each child.
- 2) Establish a powerful culture of continuous improvement.
- 3) Develop new strategies for connecting parents, community, business, staff, and students to improve student achievement.
- 4) Provide adequate and safe facilities which meet the educational and operational needs of the district.
- 5) Implement organizational practices that respond to change and that facilitate transitions caused by those changes.

Unity:

- 1) Develop a long range plan for the Unity School District which includes facilities, curriculum, instruction, and staffing implications.
- 2) Continue to expand after school programs for students.
- 3) Develop a responsible approach to state and federal mandates in curriculum and assessment.

SCHOOL-BASED GOALS FOR 2005-2006:

Claremont:

NEASC Accreditation
Meeting AYP
Reading First/Enrichment
PBIS
Communication
Technology Integration
Curriculum Revision
Differentiating Instruction
Sustained, High Quality Programs

Unity:

Curricular Supports
Encourage Positive Behavior
Co-curricular Activities
Investigate Assessment Tools

Cornish:

Comprehensive Enrichment Plan
Writing Assessments
Writing Guidelines

UNDERPINNINGS:

- *Data collection (like curriculum maps, test scores, attendance data) and use for decision making.
- *Development of technology infrastructure, professional skills, and tools for instructional support.
- *Commitment to differentiating instruction to meet all students' needs.
- *Responsibility to attract and retain highly qualified staff.
- *Work to build family, community, and business partnerships.

RESOURCES NEEDED:

Human: Teachers, paraprofessionals, administrators, custodians and maintenance, school lunch staff, Dow staff, secretaries, 21C staff, families, community, business partners, higher ed. Partners, bus drivers

Financial: Tax dollars, grants, contracts, fees, donations, in-kind

Community: Families, agencies, businesses

A LETTER FROM THE SUPERINTENDENT

January 2006

Dear Parents and Community Members:

Again, on the previous two pages you will find what we are calling an “Impact Sheet”. This sheet captures *what* all three districts in SAU #6 are trying to accomplish and *how* that will be accomplished by both the School Boards and the school staffs. This Impact Sheet has been updated to reflect each Board’s goals and each school’s goals for the school year 2005-2006. We hope you find this helpful when thinking about education in Unity – what it is and what it is trying to do.

We are continuing to implement the new reading program using materials from the Harcourt Company. We also are continuing to provide professional development in reading assessment administration and interpretation for the purpose of driving student instruction. Our results after one year are very satisfying. We are seeing almost every student make significant gains from the previous year. For those who are struggling, we have been trying out some highly specific intervention programs throughout the SAU to see which ones make the most difference in our most vulnerable readers.

This fall of 2005 saw all schools in New Hampshire administering the NECAP state assessment tests for the first time. These tests now replace what you have come to know as the NHEAIP tests in Grades 3, 6, and 10. Now we are testing in the fall each year in every grade from grade 3 through and including grade 8 and once in high school. The first round of results are not due back to the schools until March of 2006. So much for a fall test that will give us useful information for that year’s instruction! Maybe by next year.... We are anxious to see how Unity’s young people did on this test.

We surveyed Unity’s Grade 9 students this fall of 2005 to see, after one quarter of their 9th grade year, how they were doing. We only got a few surveys back, but those who returned the survey indicated that they had been well prepared for the challenges of high school – no matter which one they attended. We will keep working on this because it is such a good quality indicator of the value you (and the students) are getting for your tax dollars. The major complaint we have heard is that there is a LOT of homework in grade 9!

We know that the additional high school students Unity now has, and their resulting tuitions, are making a big impact on your budget and tax rate. It’s impossible to control for that particular number, but the Board and administration have been, as usual, frugal elsewhere throughout the budget. We thank you in advance for your ever-present support of the young people in Unity.

It continues to be an honor and a pleasure to be your Superintendent of Schools.

Respectfully submitted,

Jacqueline E. Guillette
Superintendent of Schools

**Unity School Board
Annual Report 2006**

The 2004-2005 school year was probably the smoothest that I have seen in the 11 years that I have been on the School Board. This was contrasted with the beginning of the 2005-2006 school year when the town was hit by significant flooding. Tragically, former student Steven Day was killed in the flood. I remember Steven as a wonderful kid, who always said hello and had a kind word to say. I miss chatting with him at the land fill. Our sympathies go out to Steven's family and all his friends.

This year marks the third year the school has been able to use the space which had previously been the town office and town library. We shouldn't lose track of how important this has been to the school. The former town library has become a classroom and is an important part of our middle school curriculum. The former town offices have now become the school library and with some good planning and TLC, have enriched learning at the school for all grades. Thanks to the town for letting the school have this space.

I would also like to report that repairs done to the roof a few years back have now kept the school "leak free" for a number of years. In addition, we have installed heated metal flashing on the front of the building and appear to have solved our ice damming problem. In the years to come the board will be looking at the potential drainage problems in the front of the building and repaving the parking lot.

Many thanks to all who donated their time to the school and the positive impact you have made can never be underestimated.

Respectfully submitted,

Christen T. Eaton
School Board Chairperson

Unity School Principal
2004-2005

The 2004-2005 year at Unity Elementary School saw many changes. It was our first year with Kindergarten, ushering in 17 new five year olds eager to begin their studies. Mrs. Proper's hands were certainly full, as we had planned on a much smaller number. Apparently, once the word was out that we now had all day Kindergarten, families were motivated to move here and to take advantage of this. It will be very interesting to track the progress of these students as they make their way through the system. We will see first hand the positive effects that early childhood education has had on them.

We had a very successful Arts Festival in April 2005. We asked a number of community members to assist the staff in providing artistic opportunities for our students. The week culminated in an Art Exhibit at the Town Hall, and was attended by many community members. It was wonderful to see the community and school working together to provide many opportunities for the students. We look forward to having another Arts Festival in 2006.

Our Eighth Grade Class went to Gettysburg for their end of the year trip. It was exciting and particularly an eye opener for the staff members who chaperoned, as they saw first hand just how much Eighth Graders can eat! The three days were packed with history, geography, a lot of walking, and non-stop fun. We look forward to other trips like this in the future.

At the end of the year, we graduated 12 students, and sent them on to Stevens, Newport, and/or Fall Mountain High Schools. The results of a survey taken in the fall of 2005 show that our graduates have done very well when compared with other students at the three high schools. In addition, they felt they were well prepared for their high school experience. Kudos to the fine staff here at Unity for their hard work in preparing our graduates for the challenges of high school.

Over the summer of 2005, we had the final touch completed on our roofing project. A strip of heating element was applied to the front of the building to prevent ice buildup during the winter months. As of January 2006, it has been very effective in eliminating ice buildup and the resulting leakage, as well as other ice-related problems. In addition, we removed the hallway carpets and installed tiling. This helped to make the school a much brighter place in which to learn.

We have a new custodian, a new music teacher, and three new paraprofessionals on our staff for school year 05-06. This is my fifth year at Unity. I'm every bit as happy now as I was the first day I came aboard. It is my hope, with your support and that of our staff, that we will continue to make Unity Elementary School a true school of the community-one where our children are safe, tolerant of others, respectful of all, and well prepared for the future.

Michael B. Cirre
Principal

Unity School District
Unity, New Hampshire
Special Election Warrant

To the inhabitants of the School District in the Town of Unity in the County of Sullivan in said State, qualified to vote in District affairs, you are hereby notified to meet on Tuesday, March 14, 2006 at the Unity Town Hall to act on the following subject:

To elect a moderator, clerk, and treasurer, each for one year terms, and one School Board member for a three year term by official ballot.

Voting will be held at the Unity Town Hall and polls will be open from 10:00 a.m. to 7:00 p.m. Newly elected officials will assume office at the conclusion of the March 25, 2006 Annual School District meeting, except for the treasurer whose term of office will commence on July 1, 2006.

GIVEN UNDER OUR HANDS AND SEAL AT SAID Unity this --- day of February 2006

UNITY SCHOOL BOARD

School District Warrant
Unity School District
Unity, New Hampshire

To the inhabitants of the School District in the Town of Unity in the County of Sullivan in said State, qualified to vote in District affairs:

You are hereby notified to attend the Annual District Meeting at the Unity Town Hall on Saturday, March 25, 2006 at 12:00 p. m. to act upon the articles set forth in this warrant.

Article I (Hearing of Reports)

To hear reports of Agents, Committees or Officers chosen and pass any vote relating thereto.

Article II (Withdrawal from High School Tuition Capital Reserve Fund)

To see if the school district will vote to raise and appropriate the sum of TWENTY-FIVE THOUSAND DOLLARS (\$25,000) to offset the increased cost, in the 2006-07 budget, of high school tuition and authorize the withdrawal of TWENTY-FIVE THOUSAND DOLLARS (\$25,000) from the capital reserve fund created for that purpose.

(The School Board Recommends This Article.)

Article III (Main Budget)

To see if the School District will vote to raise and appropriate the sum of TWO MILLION FORTY-SIX THOUSAND TWENTY-THREE DOLLARS (\$2,046,023) for the support of schools, for the salaries of District officials, agents, and employees, for payment of statutory obligations, the School Board to certify to the selectmen the balance between estimated revenue and appropriations, which balance is to be raised by taxes by the Town. The above amount includes \$2,004,829 for the general fund and \$41,194 for the federal projects fund.

(The School Board Recommends This Article.)

Article IV. (District Officer Compensation)

To determine and fix the salaries of school district officers as follows: school board members at \$500 per member per year; school district treasurer at \$300 per year; school district moderator at \$50 per meeting; and school district clerk at \$75 per meeting.

Article V. (Other Business)

To transact any other business that may legally come before this meeting.

GIVEN UNDER OUR HANDS AND SEAL AT SAID Unity this ---- day of February, 2006.

Christen Eaton, Chair

Shawn Randall

Prudence McCormick
UNITY SCHOOL BOARD

Article 14 - Other Provisions

To ensure the full and complete implementation of the provisions of this Agreement, the Parties agree to establish a joint committee to monitor the progress of the implementation of the Agreement. The committee shall be composed of representatives of the Parties and shall meet regularly to discuss the progress of the implementation of the Agreement and to make recommendations to the Parties. The committee shall also be responsible for the coordination of the implementation of the Agreement and for the exchange of information between the Parties. The committee shall be established by the Parties within a reasonable period of time after the signing of this Agreement.

IN WITNESS WHEREOF, the Parties have signed this Agreement.

Article 15 - Final Provisions

The provisions of this Agreement shall be binding on the Parties from the date of its signing. The Parties agree to take all necessary measures to ensure the full and complete implementation of the Agreement. The Parties also agree to resolve any disputes arising from the interpretation or implementation of the Agreement through the joint committee established under Article 14.

Article 16 - Other Provisions

The provisions of this Agreement shall be binding on the Parties from the date of its signing.

IN WITNESS WHEREOF, the Parties have signed this Agreement.
